I have 1 item to add to the agenda for discussion. I want to discuss the usefulness or validity of having something put on the books for independent evaluators for our rep team camps/tryouts. I know this could be a slippery slope but I'm trying to get a complaint resolved and this is something I advised my complainant that I would carry forward to the board. This item to be tabled and discussed at the January Meeting by the Board.

There were approximately 60 teams that applied to enter the tournament this year for 12 spots. Next year we would like to expand the number of teams, in order to do that we will ask the city to have that weekend blocked off as a special event booking so we can utilize all 3 rinks.
