Date of Report: February 2, 2026

U15 Tournament was a great success. Thank you to Lindsay Gates (Tournament head) and committee members for all their hard work. There was a lot of volunteer hours this year from parents, as there was only one Swift Current team in the tournament. Hats off to everyone for all their hard work.

One complaint arose from the tournament that the Meadow Lake team entered was an “A” team. This was not disclosed when they originally entered. Will make sure next year to ask every team when entering what caliber they are registered as in league when they register for the tournament.

Discipline/Concerns: U15A Colts White rescheduled a home game to an out of town venue without permission. I had asked them to not book anything until they had discussed alternative options with Nola. The day before the game I learned that they had not communicated with Nola and booked their own ice and officials in Herbert. They were told to cancel the game and reschedule the original game. Sheldon has issued them a warning.

The amount of game/practice time change requests in the Sr. Female division this season has been incredible. Steps will be taken going forward to ensure that barring inclement weather or a severe shortage of players, teams will play out their schedule.

Communications: I received an email from a coach about getting HOME and VISITOR behind the benches in S3W. I reached out to the rink staff to pass this request along to their manager.

Respectfully Submitted,
Adrian Chubaty

Officials: Ian Schafer

Date of Report: February 2, 2026

Discipline/Concerns:

- Had reports of U9 sibling non-registered official working games
- Going forward, we need our young registered officials working those games as they've invested time and resources into wanting to become an official
- At anytime there should be nobody that isn't registered working SCMHA games as we work as a group to make sure that all our members are vetted and all registrations are up to date

Risk Management/Progressive Discipline Report: Sheldon Paulhus

Just a small development: U15 Colts White booked ice out of town (Herbert) for a Jan 10th game and neglected to inform the ice assigner or division head. The game was cancelled a day before puck drop due to having ice available in Swift Current. Garnet Gader, the head coach of U15 Colts white was reminded of out of town booking policy and warned that future policy breaches may lead to sanctions.
