First Aid Kits –

Most of our minor hockey teams play in small town's where you either can't find a first aid kit or it's empty. I know it's listed in our rules and regulations that SCMHA will supply one if asked

for. Travelling to other centres and talking with other minor hockey associations they all supply their teams with a first aid kit at the start of the year and are charged for whatever is used.

Officials: Ian Schafer

Date of Report: February 5, 2024

Updates:

- U9 & Initiation hockey games are in full swing. There are a large number of first time officials working those games. There has been a lot of support from SCMHA officials to help shadow/mentor these young officials
- Provincial draws are now out and games have been assigned. Please note that all provincial games assigned will be the 4-official system. Please refer to the Hockey Sask website for official rates or contact myself or Sheldon for more information

Equipment: Jamie LeBlanc

DATE: February 5, 2024

Update:

A reminder to all AA rep teams that as seasons wind down, if families wish to purchase game jerseys, they need to give SCMHA \$100 for each one. This year, families have the option to purchase their dark sweaters.

Any sweaters not returned within 3 weeks of the completion of their season will be considered sold and SCMHA will invoice the team accordingly.

Concerns/Issues:

We had a player in the U9 division who placed a namebar on their sweater, which is not permitted. Their jersey deposit cheque needs to be collected from the team's manager and will be cashed by SCMHA. This jersey will be replaced on the next order.

There also appears to be a team in the U11 division that is not collecting jerseys after games and allowing the players to keep them in their bags, which is also against our rules and regulations. What sort of sanctions need to be imposed for this?

Jamie LeBlanc
