A committee has been formed with Board members to review the presentation and decide the best way to move forward. The committee will report back to the board.

April ice schedule is still being worked on. We are responsible to the City for approx. 80 hours of ice usage and we are currently working on the schedule which will have to be submitted to the city the 01st week in January. Aaron will meet with the City Recreation department as the communication between us and them needs to improve so moving forward we know and they know what the expectations are in future years. So far the Midget AAA Wildcats and Midget AAA Legionnaires spring camp has been scheduled along with a 3 on 3 tournament as well we are expecting each AA group from PeeWee to Midget Male and female to run conditioning camps. Plus we have outside interest groups using ice. Using 80 hours of ice will not be a problem and might be extended into May if the ice can be utilized.

Chris Keleher from the World Under 17 Tournament presented Minor Hockey with a cheque for \$13,940. This was from funds raised through raffle tickets sold as well as 50/50 draws made during the tournament. Hockey Canada is also donating to both Medicine Hat and SCMHA but Chris is still working on this.
