A Board member brought up that we need to review the SCMHA Constitution and Rules & Regulations. They are outdated and need to be reviewed. Two Board members will review both. Board members were asked to look at any Articles that need to be amended and bring forward at the next Board meeting. As the SCMHA Constitution can only be amended at the Spring Annual General Meeting by Notice of Motion and brought forward to the entire Association this will take priority. The Rules & Regulations can be amended at any time and voted on by the Board of Directors.

Board member asking about advertising for the AA Coaching Positions for next season. The Coaching Positions will be advertised by the end of January given time for applications to be received and voted on by the Board of Directors at the March 2023 meeting.

## **11. Equipment Director- Jaime Leblanc.**

Jaime is concerned that players are wearing team jerseys to non Association events which is not allowed. Reminder to all divisions to advise coaches for teams. Was asked about providing First Aid Kits. The Association used to

provide all teams with a First Aid kit however this program was stopped as teams usually kept the kits from year to year and was becoming redundant. Will look at obtaining a large First Aid Kit which can be stored at the arena and used by all Association Teams when necessary.

## 12. Risk Management/ Progressive Discipline- Shaun Irwin

I have 1 item to add to the agenda for discussion. I want to discuss the usefulness or validity of having something put on the books for independent evaluators for our rep team camps/tryouts. I know this could be a slippery slope but I'm trying to get a complaint resolved and this is something I advised my complainant that I would carry forward to the board. This item to be tabled and will be discussed at a future meeting prior to next season.
