6. New Business: SCMHA looking at developing a general survey for Teams to complete as well as association members. The survey will have different questions for AAA/AA as well as League teams.

Applications for AA Tier 1 teams Head coaches will be advertised on SCMHA website, social media and Hockey Sask website. Applications will be received until March 31<sup>st</sup> 2026 and Head Coaches will be voted on at the April 13<sup>th</sup> Board of Directors meeting.

Vice President Anne Ailsby had a few inquiries regarding the purchase of pucks for all 3 arenas. There is a verbal agreement that the City Department of Recreation and Swift Current Minor Hockey will take turns purchasing pucks. This year it is our turn to purchase. They have been ordered for next season.

Also, there have been inquiries about who pays for the Sask Tel Max service at S3 East. The 2 TV's at S3 East and west were donated by a local business and SCMHA pays for the service. Also there is a dedicated Internet service that is required for media outlets to use for AAA Wildcats games. This service is paid for by SCMHA. The Sask Tel Max is temporarily suspended during off season months. A Board members will be contacting Sask tel to see if the coast for the Internet can be discounted as the service runs 12 months of the year.

Vice President Anne Ailsby inquired about the possibility of having our organization having a weekend or day where we assist the Hockey Fights Cancer where we have as many teams playing and assisting with this group. This will be scheduled next season

as early as possible. Hockey Fights Cancer will be advertising this worthwhile Cause during all schedule games once the date is picked.

Date for SCMHA Annual General Meeting will be held on Monday June 15<sup>th</sup> 2026. More info to follow on Agenda.
