Please remind team manager/coaches that once their seasons have finished, team sweaters need to be returned in a timely manner. They also need to be cleaned prior to being returned.

Home Tournament Coordinators: Kari Cobbler Megan Carlson

Just want to say that Kari and Megan did an amazing job! The tournament was a great success! Organized well! All the volunteers did a fantastic job having everything run incredibly smooth. Thank you so much.

Discipline/Concerns: I would suggest that we look into registering our teams into A tournaments next year. The final 4 teams of the home tournament was all Swift teams. I believe all four Swift teams won their away tournaments, or made it to the A finals. Not having a AA program has beefed up our house league teams, which is good. I do believe we should consider looking at A tourney options for next year thanks.

Updates: Regular season was completed, playoffs for all four teams starts this weekend.
