Teams to be reminded of Dryland Training inside the arenas. Be mindful not to interfere with other ice users as well as other people using the facilities.

Any Capitol Projects Requests are to be submitted by March 15th before the start of the next season for the opportunity to get into the 5-year capital budget planning process. WHL Broncos are requesting Saturday ice times in 2026 to be moved up to 6:00p.m. from 7:00p.m.

WHL Broncos have incentives for fundraising opportunities for tournaments teams as well as local teams who wish to attend Bronco games.

Anne mentioned to Facilities manager Jeff Giesbrecht about moving the nets at both arenas and that civilians (parents or whoever's in the penalty box are NOT covered under Hockey Canada Insurance if they are injured on the ice while moving nets during games being played. We have requested rink staff are to move nets. SCMHA officials will assist whenever possible but not at the lower age groups.

It was discussed to request a Visitors bench sign at S3 west. Giesbrecht will be contacted to have a sign made and installed over the bench.

Legionnaires/Wildcat AAA Liaison

Date of Report: Nov. 3/2025

Head Coaches: Todd Hornung/ Terry Pavely

Updates: The Legionnaire's and Wildcat's are both off to a great start and the coaches are very happy with both of their club's performance to date. Look forward to some great hockey moving forward from these clubs

Celebrations:

The Legionnaire's and Wildcat's were both part of history this past week as the Legion called up Emilee Klapak as a backup goalie for a game as they were in need of another tender. This was marked as a game to make history for the U18AAA leagues both Male and Female and we hope to see more of this moving forward.

Questions: Why are the nets not being set in place by the rink staff as they always were before??

Motions:

Respectfully Submitted

Larry Empey

Updates: U18 Colts operated a square board fundraiser (\$5000 payout) without board approval or a license from SLGA. When it was brought to the attention of myself, Anne and Lindsay they were asked to stop all sales until the fundraiser had been both approved and appropriately licensed. They continued to sell all of their squares despite being asked to pause. As a result they will return all of the money they collected to the participants.

Communications: Cindy Stechyshyn from Central Avenue Physiotherapy is offering a concussion awareness seminar hosted by Certified Athletic Therapist Mitch Wood. I have personally attended this seminar with my own team/parents and would highly recommend it. Cindy has offered this seminar at no cost this season for minor hockey teams. For more information please contact Central Avenue Physiotherapy and ask about their concussion awareness seminar. (306) 773-8313
