Discipline/Concerns:

Updates:

Changed to 6 teams due to registration drop.

83 kids as of Oct 21, 2021 report. One other parent emailed about registering late, no final info yet.

Tournament Co-chair is Lindsay Gates, sent out an email to get more volunteers and so far solid response. What is a recommended fee to charge the out of town teams for this to get some money in the coffers? So far 9 out of town teams have sent in email applications.

Questions:

- City giving us space @ iPlex to store items for practice (I need to get ahold of Chris Poole to go see the space and confirm). Are we able to look at getting more equipment to put over there? Cones, dividers, etc?
- U7 allowed to book exhibition games and if so when? Small town teams emailing our division coaches wanting to set some of these up. Preference for them to occur in Swift?
- Irvine AB sent an email inviting Swift teams to their tournament.

Motions:

Assistant coach nominations:

See above list in coaches section, nominating all

Motion to accept all Coaching positions listed was made, Seconded and Carried.

No equipment will be allowed at the Iplex.

U9 Division Report

House Teams: Evaluations complete and 6 teams have been made.

Discipline/Concerns:

Tournament? With being half ice this season, do I accept double the teams? Matter discussed, this will be a scheduling issue with so many teams and not enough dressing rooms, Ryan will work with Scheduler to ascertain how many teams will be allowed.

Discussion on parent requesting to pay their entire teams' fees for the season. Matter discussed this is not allowed.

Update:

Request approval of Chad Kozun as U9 carded coach and Paul Hegglin as Assistant Coach. Motion was seconded and carried.

Discipline/Concerns:

Need to discuss protocol on Covid reps on house teams that are unvaccinated and who should monitor their vaccination record or negative covid test. Should a letter be sent out to all Divisions? Date of Report: Nov1/2021

Head Coaches: Chris Keleher/ Terry Pavely

Updates: The Legionnaires and Wildcats both are both in full swing legionnaires are currently 8-3 in league and the Wildcats are 6-3-2-1. The Legionnaires have managed to be on the winning side this season without having a full lineup for even one game this season, which is exciting for their young team.

The Wildcats have had a very challenging first month as they played the top team in Regina 7-5-0-1-1, and four games against Notre Dame 5-4-0-1. Coach Pavely feels that playing this top teams right out of the gate will bring his teams level of play to the top as they move forward in the league.

Discipline/Concerns: None

Celebrations:

The Wildcats were very happy to see 4 of their players chosen to be part of SaskFirst this season!
