Social Media Position for SCMHA. As we head further into Social Media it was discussed if we should create a new position on the SCMHA Board with a person directly responsible for adding all our events on Social Media. Most Board members thought this was a good idea. This person would be responsible for entering all upcoming events on our Facebook page, website, open a twitter and Instagram account to advertise Registration, tournaments, Spring Fall camps, Division Evaluations. This would be to reach as many association members as possible. This will be tabled until the spring of 2023 before the Annual General Meeting in April. AAA/AA Team Budgets were all submitted to the Board of Directors for Approval for the 2022/2023 season. Discussion was held regarding some teams will not be holding a tournament and other ways to raise sponsorship to offset costs. As mentioned in our Rules and Regulations if teams require further funding other than the Sponsorship Board fundraising they can submit a request to the Board detailing what fundraising they wish to do and reason for it. The Board can then make a decision if they will allow the Team to have added fundraising to offset costs.

#### **Discipline/Concerns:**

Still dealing with goalie situation, a couple have moved to bantam, switched positions or released to Gull Lake. There will be 3 goalies on each team. Teams are going to set a schedule for all goalies (play, back-up, and skater). Keep rotation always to avoid goalies only playing home games - option to trade shifts amongst goalies if they have prior commitments.

Trent Wagner agreed to head coach although he has no previous experience head coaching. He is in process of getting courses. Need confirmation on what is all required and if needs to be completed right away.

Issue in dressing room at evaluations to discuss. Do we need supervisors in dressing rooms during evaluations?

#### **Updates:**

Home tournament teams are coming in & looking for volunteers to co-chair tournament. Tournament fees are set to \$1500 with 4 game guarantee.

Evaluations are still in process. Teams will be finalized by Thursday

- U15 House- Coaches to approve
- Terrik Beaudoin, Kevin Schafer, Mark Plewis, Jeff Tucker
- U15 A- none yet

**Discipline/Concerns:**

1. We are going with 4 house teams this year.
2. U15AA home tournament will NOT be taking place due to lack of interest from out of town teams. Please take off the website.
3. Taking 3 goalies from U13 to help with too many goalies in U13.

**Updates:** Initial Registration numbers 67 ?

House evaluations doing great final sessions this Monday and Wednesday

**Questions:** SCMHA should develop a policy in regards to moving the nets during games. It should be the official's job to move the nets in between periods. Yes, I know we discussed this about 4 years ago or so. But the ways things are going this needs to be re-visited.

**Motions:** All Coaches, Assistant Coaches and Managers were approved by the Board.

U11 Coed: Olive Corey (Dade had no objections)

**Updates:**

U9: The U9 team was redirected to coed, all but one player moved over. The one that didn't join coed will take this year to work on skating and come back next season. Further discussion will be had at a later date to determine the viability of this team going forward.

U11: 15 skaters 2 goalies. First couple ice times have been very positive, practices are organized and well run.

U13: 26 skaters and 2 goalies. Head coaching issues have been handled as well as the goaltending. This does not solve the lack of goalies in the 2010-11 age group but it delays the problem for at least a couple years. Evaluations are in process, teams will be finalized after the Oct 5th ice time.

U13AA: Tryouts were organized and players fairly evaluated. It was a great kick start to the season.

The **2022 Colts Classic Female Tournament** Nov 25-27 (formerly Female Extravaganza) has been completely filled. 16 total teams from U11-U15. Long wait list for all divisions. Committee TBA.

Respectfully Submitted,
