3. Additions/Adoption of Agenda: Ryan Hamilton moved to accept Agenda, seconded by Bryce Durreault, Carried.

4. Acceptance of Minutes from Monday September 08th, 2025.

Larry Empey moved to accept the minutes, seconded by Dave Smith. Carried

5. Old Business:

Broncos Screening of “Sideways” Documentary. Andrea Hoffman has been sending correspondence to Lindsay and SCMHA regarding the Screening which will take place at the Innovationplex on October 13th. 2025. They are requesting we advertise to the association members about the screening and we will assist them .

6. New Business:

President Brad Torry submitted an Information sheet to be sent to all Division Heads to send to all Association members regarding updated general information on Rules and Regulations provided by Hockey Sask.

Vice President Anne Ailsby is working diligently to correct financial bank accounts from Tournament committees and teams under the SCMHA umbrella so that we have a clear picture on who holds accounts in each division and make it easier to manage all accounts under SCMHA.

There are funds available under Community grants we can apply for it was suggested that if successful, we could use these funds to pay for Power Skating in the younger age groups. The grants applied for will be targeted at different age groups each season.

Mental Health worker is available to any team wishing to utilize this service as this has become a normal procedure presently and some teams are already utilizing the service of Mental Health.

Registration Director Dave Smith informed the board that the Hockey Sask AP form is no longer being utilized. He will add AP's to each team Cert form once Division Heads decide which AP's are to go on which team.

Registration Cert forms for each team must include all information regarding Players, Team officials including HCR numbers and CR/VRC dates. This is mandatory as we no longer utilize Safe Places. The CR/VRC are good for a 3 year period under Hockey Canada.

Releases were also discussed as there is some confusion who is eligible to be released. Any player who attends a AA camp and does not make the local team is allowed to be released to attend another AA camp to the next closest center. Some other associations request immediate releases for these players to attend tryouts. All other releases from other players who are not from our Associations or from our Association wanting to go elsewhere must submit a request to the President of SCMHA who will decide whether to grant a release or not.
