Financial Report

Swift Current Minor Baseball
Income/Expense statement (cash basis)
October 1, 2024 - September 30, 2025

Category	2025	2024	Difference
Revenue			
Rep team payments	49,952	38,100	11,852
Registration fees	46,615	42,442	4,173
SCMB share of sponsorships	12,398	20,168	(7,770)
Grants	3,452	2,850	602
Equipment sales	1,100		1,100
Interest	477	1,150	(673)
Selects tournament	-	750	(750)
	<u>113,994</u>	<u>105,460</u>	<u>(3,318)</u>
Expenses			
Baseball Sask fees	15,968	15,690	278
City fees/utilities/facility rent	2,822	7,365	(4,543)
Coaching & umpire clinics	666	5,931	(5,265)
Equipment/clothing	54,387	50,167	4,220
Insurance	2,595	2,471	124
Maintenance and buildings	7,066	9,246	(2,180)
Service charges/office	2,104	1,287	817
Tournament entry fees	8,475	5,845	2,630
Umpires	21,360	23,746	(2,386)
	<u>115,442</u>	<u>121,748</u>	<u>(6,306)</u>
Net income (loss)	<u>(1,448)</u>	<u>(16,288)</u>	<u>2,988</u>

1. Net loss of \$1,448 vs net loss in 2024 of \$16,288. Cash decreased to \$72,953.
2. The organization is still in a strong financial position going forward.
3. New batting cage turf and new shed major expense in 2025.
4. Since we report on the cash basis, there is often a timing difference
5. Cost of umpires decreased mainly due to less travel and AAA tournaments cancelled
Need to continue to focus on building the pool of local umpires
6. Equipment & clothing is getting more expensive each year
7. Paid for coaches clinics, umpire clinics
8. Comparative revenue information has been re-stated to show greater detail
9. Some 2024 sponsorship money didn't get refunded until 2025, reason for difference

President's Report

Welcome to the Swift Current Minor Baseball Annual General Meeting!

Our diamonds were once again full of ball players and spectators every weekend, showcasing the love for baseball in our community.

I would like to extend a huge thank you to my fellow board members and volunteers for the many hours of dedication you put in this year. Your efforts are what keep our programs running strong.

These initiatives are made possible not only by your efforts, but also by the generous sponsors from Swift Current and the surrounding area. Thank you to the teams that helped in securing those sponsors.

To the parents and volunteers—thank you. Your role is critical to everything we do. From transporting players to practices and games, to helping maintain our fields and facilities. Visiting teams often comment on how well our diamonds are maintained, and that's a direct reflection of your pride and effort.

A major thank you to Clayton Obst, our Umpire Coordinator, and to all the dedicated umpires in our community. Game in and game out, you handle the pressures of coaches, players, unpredictable weather and yes, even parents with professionalism and resilience. Umpiring can be a demanding 2–3 hours, but your passion for the game and commitment to local baseball are truly invaluable. Without our umpires, we simply don't have games—especially in the 15U and 18U divisions, where officials are already limited. Your efforts do not go unnoticed, and we are incredibly grateful for all you do.

We did see an increase in umpire registration this year, which is encouraging. However, with the number of games we host, we still need more. Recruiting and training umpires remains a priority.

Hosted Provincials:

We successfully hosted a tournament and games, including the **July 18-20, 11U AA Tier 2C Provincials Tournament**. Events like this help grow our program, bring excitement to our facilities, and provide valuable experiences for our athletes.

Registration:

We have seen a 6.4% overall increase in registration numbers since 2023-2025. With are largest registration numbers is the Rally Cap and 11U Divisions.

Division	2023	2024	2025
T-Ball	44	40	46
Rally Cap	89	84	83
11U	64	74	72
13U	45	44	39
15U	17	28	39
18U	16	16	15
Total	275	286	294

We have seen a notable increase in participation at the Provincial level locally, with more coaches, parents, and players involved in 'A' Provincials. This rise in competitiveness and the opportunity to play at a higher level not only benefits individual development but also contributes to the long-term success of our organization.

2025 Capital Projects and Fee's:

Batting Cage Mats: \$ 12,900.00

New Equipment Shed – 11U South: \$ 8,700.00

New Score Clock – 11U South – Steven and Brenda Cassidy: \$ 15,000.00

Sask Baseball Fees: \$ 10, 230.00

2026 Capital Projects:

Painting the Interior of all Dugouts

Painting of all Foul Poles

Yellow Protective Fence Topper: Ford Field

New Locked Storage Bins: Rally Cap/Tee Ball

2026 Development Initiatives:

Hosting a Coaches Clinic – Spring 2026 (every 2 years)

Umpire Clinic

SCMB Rules and Regulations

Finally:

On behalf of the board, thank you once again for your unwavering commitment, continued support, and belief in Swift Current Minor Baseball. Your dedication plays a vital role in the success of our organization.

Respectfully Submitted,

Chad Kozun

T-Ball/Rally Cap Division Director Report

T-Ball

For the session we had 46 kids that made up four teams, that played on Tuesday and Thursday night 5:30 till 6:30.

The T-ball weekend Tournament was rained out, but we were able to provide juice boxes and freezes at their last games. Every T-ball player received a Blue Jay cap from the Blue Jays and Rogers organization.

All t-ball equipment has been returned Jamie.

Rally Cap

For Rally Cap we had 43 kids enrolled to play on Monday & Wednesday making up four teams.

Minor Ball had another 40 kids enrolled to play on the Tuesday & Thursday night making another 4 teams. 83 total for Rally Cap.

The rally Cap Tournament was also rained out, so we moved to playing the tournament on the weekday nights (Tuesday & Wednesday). Players received a gator aid, Freeze as well as the Blue Jays cap.

I will not be returning as director of T- Ball or Rally Cap for the 2026 Session.

Submitted,

Dave Langen

11U Division Director Report

Tryouts were hosted March 21st-23rd at Prime/Stockade for AAA and AA. We were able to have 8-10 evaluators over the course of the 3 days, providing great external perspectives for the coaches.

AAA was head coached by Chad Duckworth, with assistants Nick Giesbrecht, Dave Myers and Conrad Funk. They had a great season, attending a tournaments in Regina and Saskatoon. Unfortunately, the AAA host tournament was cancelled due to weather. They finished as league finalists and while reaching the semi-finals at provincials in Saskatoon.

AA was head coached by Dave Langen, with assistants Bobby Singbeil and Clay Becker. AA hosted a tournament on June 6th where they lost the bronze medal game. They played well at the top-8 playoff for league. They hosted provincials, going undefeated in round robin play before losing a tight semi-final. Hosting provincials was a great feather in the team's cap, with some great volunteering from the parents and coaches – special thanks to Lori Langen for being the chair.

A had four teams which played in the Elks League of SW Saskatchewan. Tom Christianson, Mike Jahnke, Jesse Sinclair and Dustin Reamer were head coaches, with Jahnke's Giants team reaching the league playoff and winning their playoff.

Tom Christianson also provided head coaching to an A Provincial Team. This team was quite young but ambitious, getting in a several practices, exhibition games and a couple tournaments. The feedback from parents was that this program was very well run by Christianson and gave players an opportunity to continue their season. We hope the A-Provincial team to continues in future.

Registration had 72 kids when finalized, down 2 from the year before. Overall no real concerns; soccer/lacrosse continue to be competition to baseball. It should be noted, there were kids who tried out for AAA/AA but ended up not playing baseball when they did not make a team.

Equipment was all returned and in good order. No immediate issues noted.

The new Mosquito South equipment shed was built and much appreciated! The Mosquito South diamond could use an improvement in chalking device and water hoses. Sharon Hogg is basically ready to go. The city has been contacted and completed a fall spraying program with the late rain causing a significant flush of weeds.

Based on discussions and feedback, it would be important to:

- 1) Open Registration, Coach Recruitment earlier, while offering Coaching Clinics;
 - a. These would greatly benefit the A League (Elks), and provide stability later on.
- 2) Baseball Jerseys/Hats
 - a. There were some delays in getting uniforms due to shipping/tariffs. It would be great to have supplies ready for April 15th for the teams.
- 3) Diamond Maintenance and Supplies:
 - a. Discussed with board on-field maintenance and field duties of 11U Division Head
 - b. Depending on solution board provides, access to bases/chalk for Elks League should be considered.
- 4) 11U Division Head
 - a. Recruitment of a non-coaching person would be optimal.

Regards,
Bobby Singbeil

13U Division Director Report

The 2025 season had 39 players register to play 13U baseball. As in the past these rep teams competed in the Regina AAA and AA leagues. Both the AAA and AA teams chose 12 players each. Swift Current also had one team entered in the Elks League which had 15 players.

Both the AA and AAA were scheduled to host home tournament this year. There was a lot of early interest having the weekends scheduled early in the year. One recommendation would be to have the teams wanting to register send a deposit as there were some teams try and cancel

last minute. Unfortunately, the AAA tournament had to be cancelled due to weather. By all accounts the idea for the tournament format was well received by out of town teams however may want to consult the umpires on this for next season.

Both the AA and AAA competed in provincial tournaments and there was no interest from the Elks team to enter a provincial tournament of their own.

The umpire schedule was once again done by Clayton Obst, it was appreciated by all.

I'd like to thank all the coaches, team managers, and parents who volunteered in all capacities for 13U baseball in the 2025 season which made it a successful year for the players at all levels.

Jason Soos

15U Division Director Report

We had 39 Kids registered this year for 15U. We had 3 Teams- AAA, AA and an Elks team was made with the players. AAA team struggled this year, finishing last in the SPBL . The AA team had a good season and finished 5th out of 12 teams in the Regina Baseball League. AA went to Tier 3 Provincials and lost in the final. The White Sox played in the Elks league and went 2-6. It was good to have the 3rd team so everyone could play baseball.

Blake Deobald

18U Division Director Report

We only had one team of 14 players this season, coached by Garnett Unger. They competed in the Sask Premier AAA league. The team reached their goal of making the 10 team provincial championships for the second season in a row. Their league record was 16-16, good enough for 8th overall.

At Provincials the 18U's qualified for the play-offs but lost a heart-breaking tie-breaker after finishing the round robin with a 2-2 record.

Winter indoor sessions were minimal this season. Tryouts were held in the Stockade and players practiced regularly in April for a quick start to league play in May. The team practiced Tuesday/Thursdays with regular “Wake up Wednesdays” where the team would train or enjoy breakfast on Wednesday mornings throughout the season.

Additional highlights to the season was a 2nd place finish in Medicine Hat Tournament, and a strong showing against some tough competition at the Minot, ND. The team also hosted Sask Five Giants in their 3rd Annual Pink Game, which saw pink jerseys be worn, and a fundraiser held for local kids with special health needs. This was very well received once again.

The 18U’s were proud to have 5 of their players play up with the 57’s and performed very well, both on the mound and at the plate.

Congratulations to Sask Premier League Home Run Leader, Mason Fauser, who was selected to represent Team Sask and the Canada Summer Games in Newfoundland. Also to LHP Jase Johnson, who joined the Provincial Silver Medalist Regina White Sox at Westerns in Winnipeg.

The team was happy to have SCMB Alumni Connor Choo-Foo and Wyatt Harkes as the assistant coaches, and saw great growth in their coaching, which is very beneficial to SCMB moving forward.

I heard nothing but positive comments from the players and families. This team is graduating 7 players, leaving some major holes in the line up to fill next season! At the time of preparing this report, the U18 coaching position for next season is open.

Yours in Baseball,
Gerald Johnson
