RAMP program and umpires- We plan to have a presentation for RAMP with the umps scheduling. Date TBD.

We are getting RAMP to redesign our Facebook page right now. The host website will cost around \$400/year.

Umpire Recruitment- We are hoping to have the umpire clinics earlier this year, around March. We are going to ask Minor Hockey to give our info to their referees, in hopes that some of them will want to ump also.

We may need to increase the umpire fee for the rep teams, and give a possible bonus after a certain number of games. We will also purchase another set of umpire gear.

Batting Cages- Gerald Johnson made a motion to accept quotes up to \$7000 for the steel posts. Chad K seconded, All in favor.

We have received 1 quote, but are waiting on 2 more quotes.

Sponsorship Committee- Jordan Brisbois has mentioned he may be willing to head it.

Clothing- Toni will go through the old stock. We may order some cage jackets for coaches and hoodies for the players. This year the green jerseys will match the orange jerseys numbers.

City-Wide- Dave and Lori, Quinton and Toni will set up at City Wide. They will also promote recruiting umpires during that evening.

Constitutions and By-laws- Updates need to be done. Our VP will go through them and make suggestions. A good place to look is at Weyburns.

We may ask past presidents to see if they see any old by-laws that are not relevant anymore.

If we need to add anything to facebook, we can send it to Lori, and she will get Ashley to update our Facebook.

Next meeting Feb 5 at 7:00 at the Clubhouse.

Meeting Adjourned at 7:57pm.
