Next Meeting- Update the Constitution

18U -We are planning for once a week or twice a month practices during winter at the stockade. This cost will be added on to team fees. Fall Try-outs should have been done at Fall Ball. We will have 18U AAA open to everyone, not just the Fall Ball players or players from last year. If the player was not registered with SCMB last year there is a \$25-\$30 fee to add a player on for insurance purposes. We will call it skills sessions and will try to advertise on social media and our website. Try-outs will be in Feb/March. We are most concerned with injuries if players are not properly warmed up or used to throwing that often.

Gerald will email the dates and info to all the 15U and 18U players from last year.

Next meeting- Tuesday Nov 14 at 7:00 pm at the 57's Clubhouse.

Meeting Adjourned at 8:46pm.
