President Report- Chris Jervis	
<i>Verbal Report</i>	

Vice President Report- Corinne Nolte	
In the past year, as my first year as Vice President I have helped our President where I was needed. I helped create new apparel options for this season, as well as the Winter Pop Up Store for Christmas time. I will be working with our local apparel supplier to do something new and exciting for our 2026 season, which will be Sylvan Lake's 15th anniversary. I am excited to continue the Lacrosse in Schools program, with having seen 3 schools so far with seeing over 1000 students, as well as the other schools planned for in the future. The schools are excited to have us there to help them learn about the history and the game of lacrosse. I attended the ALA AGM last month, and am excited to bring back the information that I learned at many of the sessions to the board and to our Association. We had discussions on Coaching and the U13 and U15 Gap Analysis, and where us as an Association can help bridge that gap and help our coaches and kids. I also went to discussions regarding Females in lacrosse, and how we can help girls to want to join lacrosse, as well as to help them want to stay in lacrosse and sports. I am looking forward to a great 2026 season with everyone.	

Secretary Report- Jordan Gillard	
I attended board meetings this year starting since June, I have been intern secretary position. I took accurate minutes and dispersed them to the board member in a timely manner for their review. I drafted agenda items for the President's review/approval, for all board meetings and emailed all board members the agenda before hand. I was an active board member with constructive input during meetings. I supported the board members when I was asked.

Equipment Report- JP Sola	
As per Equipment Coordinator, I have been working with Extreme Threads and the board for new White jersey designs for all ages. As the association is growing so is the equipment , goalie gear , try it sticks and balls , tournment setup, and so on.So I'm in the	

works on finding a bigger storage room / building or C Can. We also are looking to stock up on shorts and apparel as we seem to run into shipping issues.

Coaching Report- Jennelle Siegle	
Verbal Report	

Media Report- Corinne Nolte	
This year, I have helped the board members by posting content when and where needed, and resharing posts from other associations that is relevant to our members. We have had 185 new followers on our 2 social media pages and content has been viewed 260,000 times. I have dealt with both our Sylvan Lake Lacrosse website, as well as our Apparel website this year. I was also in charge of the advertising for our Association, including the AGM and the ads in the Sylvan Lake Rec Program.	

Tournament Report- Melissa Jervis	
This year, I came on in the tournament position after the season had already started. There was already a good start on the tournament planning by Corinne, Jennelle and Nekita. The tournament went over well. All funds raised by the tournament were submitted to treasurer to be deposited in to appropriate accounts. 2026 War on the Shore tournament has been applied for. Due to conflicting tournaments, War on the Shore wont be held on mother's day weekend this coming season. Instead, as per CALL and ALA it has been moved to May 22-24. We will be hosting U11 and U13.	

Fundraising Report- Open Position	
We as a board have been working to find Sponsorships to help us replace the last 3 older sets of home jerseys. We are also working on purchasing new away jerseys for all of our teams, sponsorship opportunities are still available. We received a grant from Walmart this year for our development fund. This money is being used to help our association purchase sticks and balls for our Lacrosse in School program.
