IN MEMORY OF

*Shawn
Anderson*

1973 – 2009

Shawn was one of those special men who truly knew what life was about. He demonstrated that his family came first and his actions left no room for doubt.

Shawn's greatest joy was his children. In fact, there was no faster way to light up his face with an ear-to-ear smile than the mention of his children's name. He preferred to discuss his children's accomplishments rather than his own and loved to recall the sweet memories of his children, and how they have grown.

So as we remember Shawn's life and the man he came to be, he would be happiest being remembered by all who knew him as a man who loved his family.

We are honoured to dedicate this tournament in the memory of Shawn, a devoted hockey dad, coach and supporter whose presence will continue to be felt in and around the hockey arena for years to come.

A man who loved his family
