To whom it may concern:

As part of our security screening in the recruitment of coaches, board members and other volunteers who are helping the children registered in the soccer association, we require a **Criminal Record/ Vulnerable Sector check** to be completed prior to active coaching involvement. This security screening is performed at the request of the not-for-profit Thames Centre Minor Soccer Club (the "Club") and should therefore incur no fees to the applicant.

The purpose of this letter is also to indicate that \_\_\_\_\_ is authorizing the Club to collect personal information appropriate to the position for which they have applied.

The applicant understands that in order for the application to be considered, he/she must submit to a criminal record check. It is further understood that the Club will gather additional information to determine suitability for the position.

It is understood by the undersigned board member and applicant that all information will be kept confidential. The Club manual contains all information relating to Club policies including the screening process and eligibility criteria, and is available to the applicant on request.
