Thames Centre Minor Soccer Sponsorship Package

Thames Centre Minor Soccer is a not-for-profit organization administered exclusively by volunteers. The Executive Board is committed to creating a soccer program for youth starting at age 3 that is fun, where participants can develop and learn the technique and skills of the game, life skills and good sportsmanship in a safe environment.

While our Club has excellent commitment through parents and volunteers, we rely on the support of sponsors in order to continue our programming year over year. We are grateful to have the ongoing support of Tim Hortons Timbits Sports Program however as this program ends at age 8, we sadly see a large increase in registration fees for our U10 and up programs which can create a financial barrier to participation.

As a business owner and member of our community, we would like to extend an invitation for you to sponsor our teams. Your contributions will be beneficial to ensuring that Thames Centre Minor Soccer can continue to offer excellent soccer programs for youth in the Dorchester area.
