New Business

5. A) League tournament- Jaimee is going to make a how to plan for planning tournaments in the future for hosting towns. We need to book ump's way earlier for these. U15- tourney date to move possibly depending on softball Manitoba- this decision is tabled til Jan 2024 when we will have more information.

b) Website rules need to match on website compared to PDF that is printable.
c) Code of conduct- what does it look like to be a good parent, make sure each organization has a code of conduct with the expectation of parents and children. Parent liaison for towns a possibility in the future?

d) umpire fees- Everyone is wanting more money, standard fee is currently \$50 plus mileage.

Cheri Klassen made a motion that we have a standardized mileage for umpers. Denny Leblanc seconded the motion. It was carried. We will vote at the spring meeting on prices.

There was a bit of confusion last year on who sends in score sheet. Jaimee Berard made a motion that the home team is to send in score sheet and it was seconded by Denny Leblanc and carried.

e) Skills clinic- good thing to keep going... there were 85 participants last year.

f) AA Season Report- There were 5 teams last year, tournaments went very well. Central region metalled in every single age group. They plan to host more skill development sessions in January 2024 and would be nice to see 100 girls. AA is searching for coaches so please everyone put the word out. Tryouts are being moved ahead to the beginning of May in 2024.

Other questions were can you attach posters into ramp to send out to everyone? Yes you should be able to save as an image to attach and do so.

Umps are always a need, if you have 4-6 interested then contact Jayce and you may be able to hold an umping clinic. There is funding available through sport Manitoba for clinics.

Meeting Adjourned by Erin at 9:12 pm.

Spring meeting to be determined at a later date.
