

Welcome Back Twisters! September 2024

We are very excited to welcome you back on the ice beginning September 4th!

Given the associations growth, we are expecting 2-3 teams in many divisions. Early September practices will include all players registered to their division based on age. These initial practices will be used to either sort or evaluate players into teams.

- **FUN1** players will be sorted into two groups and begin their season in October - more to come!
- **FUN2 and FUN3** players will be sorted into balanced teams based on skill and ability as per Ringette Canada's guidelines
- **U12** players and all those eligible to participate will be evaluated by an impartial committee to develop tiered teams (possible A/B/C). All U12 and U14 families should have received an email detailing the evaluation process and expectations as per Ringette Canada's guidelines. If you have not received the email, please check your junk mail folder and/or email coaching@tillsonburgringette.com
- **U14's** will hit the ice as a single team
- **U16** players that have joined forces with neighbouring associations to complete full teams, we will be cheering you on from afar!
- **Adult Shinny League:** Registration is still open for anyone interested in our co-ed Adult Shinny League which is set to begin in October

All teams will be finalized by September 15th. Players will be contacted by their coach and team specific practice schedules will be made available on **RAMP**. Download the app on your smart phone or visit RAMP online. Practice schedules will be rotational so your player may play on different nights of the week throughout the season.

Bond Checks: The success of our program depends on a collective effort from parent and community volunteers. Volunteer Bond Checks will be collected in the amount of \$150 per player or \$200 per family. Checks can be written out to: Tillsonburg Ringette Association. Please note that players will not be allowed on the ice until their bond check has been submitted. Checks will be collected at your player's first ice time. Several opportunities will be presented throughout the season to fulfill your 10 hour bond: Annual Bottle Drive; Tillsonburg Tournament; Santa Claus Parade; Game clock, Shot Clock and Scorekeeping for home games, etc. See our website for more information: TillsonburgRingette.com

Respect in Sport: Please ensure one parent from each family completes the **Respect in Sport for Parents** course at <https://ringette-canada-parent.respectgroupinc.com>. Respect in Sport certificates do not expire and are valid across sports. For example, certificates obtained through soccer, softball, hockey etc. may be used for Ringette. Please submit your certificate numbers to webmaster@tillsonburgringette.com. See our website for more information: TillsonburgRingette.com
