

## **Tofield Minor Hockey**

### **2023-2024 Tournament Information**

The Tofield Minor Hockey teams, along with the Tofield Minor Hockey Association, are hosting their tournaments at all levels this year.

We are asking businesses to help with these events by means of donations in the form of cash or prize items. These generous donations will be used towards the raffle tables, goody bags, trophies and team give-away prizes.

All donations, big or small, are greatly appreciated in helping promote a fun filled weekend for all hockey players involved.

We would like to "Thank you" in advance for your generosity and consideration in making this tournament a huge success for our young players. If you have any questions, feel free to reach out.
