Subject: Non-Rostered AP's

Dear Zone Coaches,

We recognize that there may be instances where filling a roster solely with rostered APs can be challenging. To minimize the need for game cancellations, TORL is implementing the following guidelines:

1. Exhibition Game Notification:

If a team needs to field a non-rostered AP and wishes to have the game classified as an exhibition with no forfeit, they must notify both the opposing coach and the Zone Coordinators at least **24 hours** prior to the scheduled game time.

2. Late Notification & Forfeit:

If a team fails to provide the required 24-hour notice, the game will proceed, but the team using the non-rostered AP will forfeit the game, resulting in a **7-0 loss** in the standings. The team managers will be responsible for marking the game as "Exhibition" and "Forfeit" on the game sheet.

3. Rostered APs Exceeding Game Limits:

This policy also applies to rostered APs who have exceeded the maximum number of games allowed.

Thank you for your cooperation and understanding.

Sincerely,

Thompson Okanagan Ringette League
