To: TORL Associations for distribution to their Membership

The TORL Board had in-depth discussion around the U12 Division in our last meeting regarding the recent update to [Ringette BC Community Division Guidelines](#).

For the 2025/26 Season the TORL has decided that when an Association is able to form more than one U12 team, those teams will be balanced. This applies to the 2025/26 Season and TORL will implement U12 Tiering in the 2026/27 Season.

The U12CI Program will operate per the [U12CI Guidelines](#) for the 2025/26 Season and registration for this program is to Open Sept 1st. Information on TORL U12CI can be found [HERE](#).

Thank you,

Mark Campbell
