

Information for U12-aged participants

Ringette BC is pleased to announce changes coming for the U12 division as part of the new 2019-2023 Strategic Plan. Specific information regarding implementation timelines will be released shortly.

Background

The 2019-2023 Strategic Plan seeks to achieve Ringette BC's Vision, Mission and Values. As part of the implementation and road map for the next five years of the Strategic Plan, Ringette BC has released the *Athlete Experience Pathways* report, which provides background and explains the changes to the competition framework and athlete pathways.

Under the new competition framework, U12-aged athletes will play on a U12 Club Division Team with the option of additional development opportunities through the U12 Competition Introduction Program.
