PARENT VOLUNTEERS

Running a well-organized hockey association requires the help of everyone! Parent volunteers are required as managers, and safety persons. Parent help is also required for game clock, game sheets, music, skate tying, fundraising and any related Covid-19 health & safety guidelines. As we welcome you back to the rink to cheer on your player, we also need your help in and around the rink to make this season happen. Many hands make light work.

COVID-19 GUIDELINES

We will be welcoming everyone back to the arena for normal game play under viaSport Covid-19 Step 4 guidelines by September 7, 2021. Please follow any and all guidelines related to the health and safety of our players and the arenas we play in. Please note that these guidelines may change according to viaSport and/or any changing Public Health Orders. Any changes will be clearly communicated by the Association.

COMMUNICATION

Your executive is committed to clear and respectful communication. The best place for Association updates is on our Facebook page. Please join our page under Port Hardy Minor Hockey Club. Each team may use TeamSnap or Facebook for individual team communication throughout the season. Respectful social media etiquette is expected at all times.

Throughout the season, if you have a difficulty you need to resolve, PHMHA follows TriPort and BC Hockey guidelines for conflict resolution. This includes following the 24-hour rule. Please contact your team manager to resolve any conflict directly. Your manager will discuss any issues with coaching staff, and any meeting between parents and team officials will wait 24-hours to ensure all parties are calm while resolving issues. Difficulties that cannot be resolved at the team manager/coach level will be moved to the Port Hardy Executive for resolution. Respectful communication at all levels is required at all times. The PHMHA can be contacted via email at any time at porthardyminorhockey@gmail.com

Parents and players are expected to represent the Port Hardy Minor Hockey Association both in and around the arena with the utmost respect and leadership. Abuse of on-ice and off-ice officials will not be tolerated. Poor sportsmanship and bullying between players will be swiftly addressed, and players who continue to act in a disrespectful way towards their team or others may be suspended from the Association for the remainder of the season. Cell phones are not permitted in any dressing room or player tunnel at any time.

We are looking forward to seeing you at the rink and welcoming your player back to the ice!
