**SUBJECT: Online Game Reporting System (NEW)**

---

BC Hockey has implemented a new process for game officials to submit game incident reports for the 2016-2017 season.

We are excited to announce that we have moved to an electronic format, and officials are required to enter all game reports into the Hockey Canada Registry by 8:00AM the day following the game. All game sheet submissions are now the responsibility of the teams to submit to the District Association.

Below is a link to an instructional video that has been created to provide game officials an overview of the online game report process:
