SUBJECT: Criminal Record and Vulnerable Persons Check – Clarification

Please note the following clarification with regard to the Ministry of Justice's online Criminal Record Check:

The Vulnerable Persons Check (VPC) is included within the online format of the Criminal Record Check (CRC), as offered through the Ministry of Justice website. The Criminal Records Review Program (CRRP) automatically incorporates a VPC into every CRC completed through this platform, as noted on the Ministry of Justice website:

“As part of your criminal record check process, the Criminal Records Review Program (CRRP) will also conduct a vulnerable sector check. This process determines whether you have any record suspensions (formerly known as pardons) for sexual offences.”

For more information you can visit the Ministry of Justice website at the following link:

Should you have any questions please contact the BC Hockey office at crc@bchockey.net.
