

## **NSF CHEQUE POLICY**

In the event that the Upper Ottawa Valley (UOV) Ringette Association receives an NSF cheque, that player will not be considered registered and will be unable to participate in any activities of the UOV Ringette Association until such fees are paid in full. In addition, the UOV Ringette Association will apply a \$50.00 NSF surcharge to the registration fee for that player. The registration amount plus the NSF surcharge must be paid before the player is allowed to participate in any activity of the association. Payment of the registration fee and surcharge must be made by cash, Interac e-transfer, money order or certified cheque.
