

Sanitizing Schedule

VSA Summer Soccer Camps

Updated June 28, 2020

- 1) All players, coaches and volunteers will sanitize their hands before the start of each Camp session.
- 2) All equipment including soccer balls will be sanitized before and after each Camp session. If a coach or volunteer deems it necessary, the equipment will be sanitized during a session.
- 3) All players coaches and volunteers will be given access to the cleaning station where sanitizer will be readily available.
- 4) VSA will have the following sanitizer at the cleaning station:
 - a) Liquid sanitizer.
 - b) Gel sanitizer.
