

## Description

- • Skates with puck up the the far (inside pylon)
- D Skates up to the close (outside pylon)
- • Turns towards wall and skates with the puck to the net
- D Times going around the pylon to check/cut off/angle G from making it to the net
- If the **1** beats the **1** they drive to the net and take a shot

## **Key Points**

- Forward needs to be going hard the whole drill
- Defense needs to time the drill to cut the forward off at the right moment
- Forward to dip shoulder and drive to the net
- $\bullet \quad \text{Defense to angle the Forward to the boards and check the players hands/pin forward} \\$
