GVMHA is required to follow the City of Vernon - Return to Play Policy. As of today we are looking at 20 players per group with 3 Coaches.

Tryouts – September 8 to September 25: Players will have 2/3 practices and then Hockey Canada Skills testing. Top 20 players (Including 2 goalies) in group 1, then the next 20 players in group 2. Any remaining players will join the Recreation Assessments.

Recreation Assessments – begins the week of September 28: Players will have 2/3 practices and then Hockey Canada Skills testing. Even groups of 20 will be formed from the test results.

Emails will be sent and posted on our website once schedules have been put together.

As of now, there will be no games or any kind of competition. All practices will be working on skill development and skating. We are being updated by viaSport and BC Hockey as we move forward, and if protocols change we will notify everyone.
