

All Midget Players,

Please find below the assessment times for Midget players. When you have finished the assessments, you will be assigned to a team and the coach or manager will give you a call or email.

The Division Manager for Midget will be doing your practice scheduling and you will either practice on Mondays or Wednesdays (teams will be rotated), and play games on the weekends in the Superleague. The Superleague scheduler, Gene Anderson will be doing up the game schedules and you will get that in October.

If you have any questions, please direct them to the Midget Division Manager, Natasha Kositsin at [naakositsin@outlook.com](mailto:naakositsin@outlook.com)
