COACHES ARE NEEDED FOR YOUR CHILD'S TEAM

Please HELP.... We need your support and we are willing, able & ready to train coaches. Yes, YOU can be a coach – we will show you how!!

The kids love it when their mom, dad, sibling, gramma or grampa coaches them and with an 8-week season (no games scheduled on the holiday weekends) this commitment comes with a HUGE reward!!

Coaches are provided with an online coaching program and a binder that includes age-appropriate practice plans for every session. Our General Manager and staff are available to provide further coaching tips and technical support.

PLAYERS BORN IN 2017 & OLDER NEED PARENT/VOLUNTEER COACHES

**Players born in 2018, 2019 & 2020 will be coached by BC Soccer certified SoccerPatch Junior Coaches
