

Viking Minor Hockey

Commitment Hours Policy

Each year as part of player registration each family shall commit to volunteering a minimum of 10 hours during regular season per player to assist VMH with operating its teams or fundraising events. This commitment shall be initiated by families by issuing one post-dated \$350.00 commitment bond cheque at the time of registration to guarantee this commitment. The VMH Treasurer shall hold these cheques uncashed for the season. Families may elect at time of registration to pay the commitment bond versus volunteering. The VMH Commitment Coordinator is responsible for tracking all volunteer hours and reporting it to the Executive. Those families without the required full 10 hours will have their commitment cheques cashed at the end of the season no later than April 30th. Any partial hours completed will be reimbursed to families at the prorated rate of \$35.00/volunteer hour by the VMH Treasurer. The VMH Treasurer shall ensure that all families' cheques are destroyed at the end of each season when they have completed their commitment hours.

Volunteer Commitment Hourly Table

Each of the following volunteer positions are weighted at a certain amount of hours:
