

Viking Minor Hockey

Fundraising Policy

Fundraising is a big part of how we keep our fees low and it goes towards paying for ice fees and other equipment. One postdated \$300 fundraising cheque will be required from each family that registers this year with the expectation of selling at least that amount in fundraisers held throughout the hockey season (i.e. tickets, raffles, etc.). The VMH Treasurer shall hold these cheques uncashed for the season. If your family meets the fundraiser requirements for the year, your cheque will not be cashed. Families may elect at time of registration to pay the fundraising bond versus volunteering.
