

COVID-19 & Considerations for Youth Sports

Below is a great article regarding considerations and risks involved with the relaunching of youth sports.

Once we are on track with relaunching basketball in Alberta, we all must be diligent to abide by the guidelines set forth by Alberta Health Services (AHS) and our NSO, PSO.

We all must do our part to be smart for the safety of our players and our/their families...

The screenshot shows a Chrome browser window displaying the CDC website. The address bar shows the URL: <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/youth-sports.html>. The page title is "Considerations for Youth Sports". The main content area features a heading "Considerations for Youth Sports" and a paragraph starting with "As some communities in the United States begin to start youth sports activities again, the Centers for Disease Control and Prevention (CDC) offers the following considerations for ways in which youth sports organizations can protect players, families, and communities and slow the spread of the Coronavirus Disease 2019 (COVID-19). Administrators of youth sports organizations can consult with [state and local health officials](#) to determine if and how to put into place these considerations. Each community may need to make adjustments to meet its unique needs and circumstances. Implementation should be guided by what is practical, acceptable, and tailored to the needs of each community. These considerations are meant to supplement - **not replace** - any state, local, territorial, or tribal health and safety laws, rules, and regulations with which". A sidebar on the left lists navigation options: "Symptoms", "Testing", "Prevent Getting Sick", "If You Are Sick", "Daily Life & Coping", "People Who Need Extra Precautions", and "Pets & Other Animals". A sidebar on the right titled "On This Page" lists: "Guiding Principles", "Assessing Risk", "Reduce Spread", "Healthy Environments", and "Healthy Operations". The top of the page includes the CDC logo and the text "Centers for Disease Control and Prevention CDC 24/7: Saving Lives, Protecting People™". The browser's taskbar at the bottom shows various application icons.
