

VISION BASKETBALL ACADEMY

Tournament Tie-Breaker Format

Welcome to **Vision Basketball's Club Tournament** in Calgary. The tournament organizing committee wishes you a weekend of fun and rewarding basketball. Please enjoy the many services our community has to offer.

Tie-Breaker Format:

Several divisions in the tournament have 6 teams – each division is divided into 2 pools of 3 teams each – given this, there is a strong likelihood that all 3 teams could end up with identical 1-1 win-loss records.

Therefore, in the event of a tie the following tie breaking system will be employed:

- A) Points For **minus** points Against with all three teams.
B) If a tie still remains, the calculation becomes points For **divided by** points Against.
- in the latter, the tie breaker favours a more defensive team (see examples below)

A) Team A vs. Team B	77 – 72	Team A record =	1-1	Team A is	-5
Team A vs. Team C	55 – 65	Team B record =	1-1	Team B is	+1
Team C vs. Team B	44 – 50	Team C record =	1-1	Team C is	+4

Standings: **1st** = Team C at +4; **2nd** = Team B at +1; **3rd** = Team A at -5

B) Team A vs. Team B	77 – 70	Team A record =	1-1	Team A is	+4
Team A vs. Team C	54 – 57	Team B record =	1-1	Team B is	+4
Team C vs. Team B	40 – 51	Team C record =	1-1	Team C is	-8

Team A	131 divided by 127 = 1.031	(lower number with this formula loses tie-breaker)
Team B	121 divided by 117 = 1.034	(higher number with this formula wins tie-breaker)
Team C	3 rd Place at	-8

Standings: **1st** = Team B; **2nd** = Team A; **3rd** = Team C

TOURNAMENT HEADQUARTERS:

Contact Mark Hogan if you have questions – 587.999.2510 cell.
