Policy Statement

Vortex Water Polo (the club/VWP) wishes to ensure all athletes receive fair financial treatment and funds are utilized in a transparent and reliable manner.

Purpose

To ensure all athletes receive and are able to utilize financial credits they have from the club.

Application

VWP will ensure that credit earned from fundraising, reimbursements from excess Travel funds, and any other refunds are reliably allocated to each athlete's RAMP account.

Athletes will be able to use these credits on their RAMP account to register for any RAMP program including but not limited to program, registration, travel registration, or camp registration.

When an athlete ceases to be an active member of VWP, the athlete may request a refund of the credit in writing to the Treasurer within one season of ceasing to be an active athlete. Should the refund not be requested by September 1st of the following year ceasing being an active athlete, the funds will be utilized at the discretion of VWP.
