

Vortex Water Polo Fundraising Policy January 2023

Policy Statement

Vortex Water Polo (the club/VWP) encourages athletes to raise funds through sanctioned fundraising programs for use as described in the Athlete Financial Credit Policy.

Purpose

To allow athletes to raise funds for their personal accounts and for the operational needs of the club.

Application

By October of each season, the Fundraising Coordinator will establish and share an annual plan of fundraising.

This plan could include one mandatory club fundraiser, from which the funds raised would be used to benefit operations of the club as a whole, as well as voluntary fundraisers for individual athletes to use towards club or out-of-province tournament fees.

An accurate accounting of all funds received and paid out for fundraising activities will be maintained to ensure that a reliable credit may be allocated to each participating athlete.
