

PROVINCIAL CONVENOR REPORT 2020/2021

2020/21 Season Report

As everyone knows, the season was an unusual one but thanks to the efforts of our great coaches, parents, players and Board members, we did manage to get on the ice when possible!

2021-2022 Season

We have had a meeting with U10/U12 parents to explain the transition to U12 and the distinction between U12A (provincial) and U12R (regional). We also discussed the tryout process and coach and player selection processes.

We are all looking forward to what we hope will be a somewhat more “normal” season in the fall. Since tryouts cannot be held until after Sept. 1, 2021 at the earliest, the actual playing season will start later but we have our fingers crossed for more typical tournaments and game play from at least January 1, 2022. Please get your players registered and watch for more news as we get closer to mid-August.
