

Waterloo Ringette Association Registration Report 2020-2021

The Registrar is responsible for registering all of our players, bench staff, Executive and other volunteers with Ringette Ontario (RO). In a typical year, this would involve preparation of the Team Registration Form (TRF) for each team, and ensuring each team has completed and signed the required documents (TRF, Bench Staff Code of Conduct, Concussion Code of Conduct, Player Releases/Relocations, Two-Team Player Contracts, etc.). As no teams were formed for 2020-2021, due to the Covid-19 pandemic, many of the usual processes and signed documents were not required.

This season, we provided our players with a Fall 2020 session and a Winter 2021 session. In the Fall 2020 session, we registered 236 players, which was 81% of players registered in the previous season. In the Winter 2021 session, we registered 107 players. We also registered 49 Volunteers and 18 Executive Members with RO.

Below is a summary of our registration numbers by age division, since 2011. Note that I have shown all players as Regional for the 2020-2021 season.

I would like to sincerely thank our Return to Ringette Committee for the tremendous effort they put forth, to get our girls on the ice. No other ringette season in our history has required the amount of resources and planning that this one took, and I am incredibly proud of what we, as an Association, were able to accomplish.
