

Waterloo Wildfire AGM June 2023

2022-2023 has been a successful year with Ringette back onto ice . Players ranged from FUN 1 (6 years) to U 19AA and open teams. This past year saw many first-time players take advantage of equipment loan program. The success of this is because of lightly used equipment that have been donated by many families. The generous grant by the Ministry of Heritage Sport, tourism and culture grant allowed for some much needed equipment (mini nets etc.). Thanks Tim Hortons Canada for continued support to Waterloo Ringette. Have a great summer.

Roland Lynn
Equipment Manager
