## **2022/2023 Season Report**

At the beginning of the season there was a lot of working with other cities to make sure that all players in our area had a place to play. We welcomed players from Guelph, Elora and Kitchener. Unfortunately, we did not have enough players in Waterloo to make a U16 team. Once the teams were formed, they all had a great season with many teams winning medals at away tournaments, our own Waterloo Winterfest as well as the Western Regional tournament!

Thank you to all the parents, coaches and players for making the past season a great come back after the few years of covid restrictions.

## **Coaches**

Fun 1: Christine Thorndyke

Fun 2 Team 1: Glen Halstead

Fun 2 Team 2: Rick Foucault

Fun 3: Rob Gondosch

U12: Courtney Proudfoot & Matt Duench

U14: Colleen Martin & Matt Williams

U16: No team this year

U19: Louis Boudreau

## **For the 2023-2024 Season**

A goal for the next season is to have a handout for parents before the season begins explaining frequently asked questions about how ice times are given to teams, how registration fees affect ice times and the amount of ice times your team will receive, how parents can get involved and other questions that come up before next season.
