

Waterloo Minor Ringette Association  
Vice-President Report, 2023-2024

Prior to the 2024 Waterloo Winterfest Tournament, I was responsible for ordering new medals, organizing and labelling them by division, and delivering them to the rinks for the medal ceremonies.

Although I haven't done it at the time I'm writing this report, I will be communicating with Tom Armbruster from Unique Embroidery Promotions & Rewards prior to the AGM to express the WRA's interests in redesigning their tournament medals.

During the 2023-2024 season, much of my time has been spent as an assistant coach for both the U19B Waterloo Wildfire and the U14AA Kitchener Wildcats.
