

HIGH SCHOOL EXCELLENCE CENTRE

Water Polo Sask launched its High School Excellence Centre (HSE) in September 2010 with 10 athletes attending. The goal of this High Performance program was to elevate Saskatchewan's Water Polo program to best in the country. In the following seven years of steady improvement, HSE produced over 40 National Team athletes (who attended 10 Youth/Jr World Championships), 9 NCAA athletes with an athletic scholarship, and accumulated 12 medals at National Championships in all age group and both genders.
