Association Insurance

Policy Section: Board of Directors

Policy Subsection: Business Development and Risk Management

Policy Title: Association Insurance

Policy Statement

Water Polo Canada (WPC) obtains insurance that protects WPC for its activities and sanctioned events, directors' and officers' liability, employment practices, commercial general liability, and accidental death and dismemberment.

WPC obtains travel injury and liability insurance for members of its national teams during training and competitive activities.

WPC provides, upon registration and payment of fees, all provincial sections, and their registered athletes, coaches, officials and volunteers with insurance coverage for liability and personal injury, prior to participation in any activities sanctioned by WPC.

Insurance coverage levels shall be determined by the Executive Director (ED), and copies of the applicable insurance policies can be provided upon request.

Purpose

Insurance is obtained for the purposes of protecting staff, members, volunteers and assets against unintended loss as a result of participation in, or operation of, the sport of water polo.

Application

Only National Team members and staff of WPC are covered for travel outside of Canada. Provincial sections may purchase such coverage through WPC.
