The Ashley Neufeld Softball Complex is located at 805 Parker Boulevard in Brandon. The Complex recently hosted the 2023 Softball Canada U15 Girls Championship as well as the inaugural 2024 U13 Western Canadian Championships, and has hosted provincial, regional, and western tournaments in its brief history. We are proud to call it the premiere softball facility in Manitoba.

Ashley Neufeld was a talented local softball star who tragically lost her life on November 1, 2009, when the vehicle she and two teammates were riding in became submerged in a pond in North Dakota where she had been attending college and playing ball. Thanks to local support in her memory, the Ashley Neufeld Softball Complex opened in 2017. It was named to celebrate her life and her passion for softball.
