Player Pathway

# CANADA SOCCER PLAYER PATHWAY

The ages and streams of soccer in Canada

Current streams in Manitoba are 1-3, 5, and 7

The streams follow the Canadian LTPD Model

# GRASSROOTS PROGRAMMING

In 2026, only U8-U10 will be participating in this format of Grassroots Programming

One, consistent, aligned program for all participants to have the same experience regardless of ability

Potential Offerings (regardless of ability; open to anyone) – based on *commitment* level. Commitment level is a family choice.

All programs and program offerings are equal (all are grassroots!) regardless of how many sessions/week are offered. All players train together in the same sessions.

Grassroots 1

1 session/week and/or  
Game/Festival

Grassroots 2

2 sessions/week &  
Game/Festival

Program Type	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
G1				TRAINING		MATCHDAY	
G2		TRAINING		TRAINING			

## Example - U9 Players Training Week

**G1:** Attends once weekly and joins the same training group as G2. **G2:** Attends twice weekly in same sessions.

All players participate together in the same environment. Matchday is shared by all levels.

# GRASSROOTS PROGRAMMING (U8-U10)

One, consistent, aligned program for **all** participants in the region to have the same experience, regardless of ability

**WRSA Oversight:** Overall implementation of Grassroots Programming in the Region (MSA support). Different centres can be set up or grouped based on regional realities.
