

Team Sponsorship Guidelines

Please remember that you and all the members of the team are a representative of our association and we always want to maintain our good standing within the community. Therefore, at minimum, your team should send a thank you letter and provide the "Team Sponsorship Agreement" to your sponsors.

ALL sponsors' names/logos will appear on the website with a link to the sponsors website or Facebook page. ALL sponsors will also be recognized at our year-end banquet.

Teams will need to forward a 300 pixels wide by 250 pixels high JPEG image of the sponsor logo to the Director of Administration at: administration@westottawaringette.com to have this done.

You can also upload your sponsor logo, using a vector file, and a link to their website from your team's page manager. Details on how to do that can be found on the portal where you update your team's information and at this link [How To Upload Logos onto Team Page in Ramp](#).

To further recognize your sponsors' contribution your team may wish to consider offering any of the following, at the team's expense:

- Thank you plaque
- Team photo
- Team Banner
- Jersey sponsor bar (Jersey policy still in effect!)
- Sponsor logo on team website
- Any other method of recognition agreed upon by the team & sponsor (with Board approval)
