

Competitive Commitment Survey

All players who intend to try out for West Ottawa Ringette Association (WORA) AA or A teams are asked to review and sign this commitment form upon tryout registration. This form will be part of online registration.

Registration/Release

WORA players must have paid the tryout fee online before participating in tryouts, and must fully pay registration fees for the upcoming season once the season registration opens. Out of Association players are no longer required to complete a Player Tryout/Release Form to attend WORA tryouts. Upon selection, a player release form will be required from the home association.

Commitment

Playing on a competitive team is a significant commitment. Players are expected to attend ALL team activities, including but not limited to: practices, games, tournaments, Provincials, dryland training, meetings, fundraising. Playing on a competitive team will also require a significant financial commitment beyond the cost of registration. These commitments are outlined in the "Competitive Program" document [found here](#), where it is stated that families are expected to pay \$1,000 - \$3,000 per player over and above registration fees.

Please consider whether or not you are able to make this commitment before attending tryouts.

I acknowledge that if my attendance falls below an acceptable level in each team activity area I can be removed from the competitive team.

I acknowledge that acceptance onto a competitive team also includes attending Provincials and Nationals or Eastern Championships if the team qualifies.

Reviewed and revised June 2022.
